new interchange is a multi-level series for adult and young adult learners of English from the beginning to the high intermediate level. The level 1 student's book builds on the foundations established in the intro for accurate and fluent communication, extending grammatical, lexical, and functional skills. Beautiful color photographs and illustrations facilitate the teaching of new vocabulary. The new interchange series teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. As with the other levels of new interchange, a complete set of ancillaries, including a video program, is available to make classes interesting and productive.

Interchange Third Edition is a four-level series for adult and young adult learners of English from the beginning to the high intermediate level. The full-color video activity book is designed to accompany the videos; it provides pre- and post-viewing tasks.

for the learner there are follow up and language close up sections for those who want to use the videos as the basis for a short course or to review more thoroughly the contents of the student s book

interchange third edition is a fully revised edition of new interchange the world s most successful series for adult and young adult learners of north american english the course has been thoroughly revised to reflect the most recent approaches to language teaching and learning
